Introduction

Created in 2018, VEL auto & parts Located in Cameroon Douala, Bonaberi Magzi zone, we are an e-commerce company specialized in the sales of car spare parts OEM & Aftermarket. Driven by the desire to meet the needs of African market due to COVID 19 restriction, especially in terms of the supply of quality spare parts , we have set up an online sales platform: www.velautoparts.cm for your wholesale and daily needs without moving from your chair.

We have designed a unique platform that meet the requirement of african automotive industry, a platform that serves as a showcase for the various suppliers all around the world. With our integrated electronic parts catalogue (EPC), it is easy to find the spare part you need by entering the VIN of the vehicle or the part number. Our professional team, specialized in car parts, implements an innovative policy by providing a solution for every needs. It is easy to count and record products in our database with our stock and order management software.

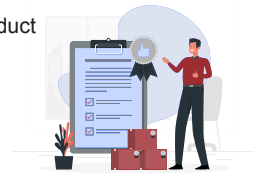

Are you a garage owner, car parts retailer, or individual looking for a spare part for your vehicle ? VEL auto & part is the right partner for you. For all your OEM and Aftermarket spare parts needs, one click : www.velautoparts.cm
